Journal of Ethnopharmacology 55 (1997) 243–247

Journal of ETHNO-PHARMACOLOGY

Subject index

Volume 55 (1997)

Africa; Medicinal plants; Sleeping sickness; *Trypanosoma brucei rhodesiense*; Antitrypanosomal activity; In vitro **55**, 1

Agapanthus africanus; *Pentanisia prunelloides*; *Gunnera perpensa*; Uterotonic activity; Herbal remedies; Antenatal; Pregnancy; Labour **55**, 185

Albino; Extracts; Carrageenin; Edema; Rat paw; Anti-inflammatory **55**, 77

Aloe vera; Indomethacin; Dexamethasone; Inflammation; Cyclooxygenase **55**, 69

Alpha-asarone; Lipid-lowering **55**, 161

Antenatal; *Agapanthus africanus*; *Pentanisia prunelloides*; *Gunnera perpensa*; Uterotonic activity; Herbal remedies; Pregnancy; Labour **55**, 185

Anti-allergic activity; Passive cutaneous anaphylaxis; Mast cell; Wu-Hu-Tang **55**, 127

Anti-androgen effect; *Epilobium angustifolium*; Fatty acids **55**, 179

Antiarthritic; *Synedrella nodiflora*; *Bursera simaruba*; *Spondias mombin*; Anti-inflammatory **55**, 63

Antiarthritic; *Teucrium buxifolium*; Lamiaceae; Anti-inflammatory; Antiulcer; Cytoprotective **55**, 93

Anti-asthmatic; *Gakani*; Herbal medicine; Histamine; Isoprenaline; 5-Hydroxytryptamine; Tracheal chain **55**, 87

Anti-diabetic plants; Hypoglycemic plants; *Senecio* spp; Asteraceae; Furoeremophylanes; Benzoquinones **55**, 171

Antifungal; Santolina oil; Candidiasis **55**, 151

Anti-inflammatory; Extracts; Carrageenin; Edema; Albino; Rat paw **55**, 77

Anti-inflammatory; *Synedrella nodiflora*; *Bursera simaruba*; *Spondias mombin*; Antiarthritic **55**, 63

Anti-inflammatory; *Teucrium buxifolium*; Lamiaceae; Antiarthritic; Antiulcer; Cytoprotective **55**, 93

Antinociception; Vouacapan; Dopamine; Writhing test **55**, 13

Antioxidants; Ethanol; Evans blue; Honey; Sulfhydryl; Vascular permeability **55**, 231

Antitrypanosomal activity; Medicinal plants; Sleeping sickness; *Trypanosoma brucei rhodesiense*; In vitro; Africa **55**, 1

Antiulcer activity; *Cistus laurifolius* L.; Cistaceae; Histopathology **55**, 201

Antiulcer; *Teucrium buxifolium*; Lamiaceae; Antiarthritic; Anti-inflammatory; Cytoprotective **55**, 93

Asteraceae; Anti-diabetic plants; Hypoglycemic plants; *Senecio* spp; Furoeremophylanes; Benzoquinones **55**, 171

Atherosclerosis; Cholesterol; Coronary heart disease; Herbal medicine **55**, 165

Atherosclerosis; Cholesterol; Coronary heart disease; Herbal medicine **55**, 49

Benzoquinones; Anti-diabetic plants; Hypoglycemic plants; *Senecio* spp; Asteraceae; Furoeremophylanes **55**, 171

Biochemical and histopathological changes in rats; *Commiphora molmol*; Burseraceae; Gastric anti-ulcer potential **55**, 141

Blastocystis hominis; Drug response; Traditional medicine **55**, 35

Blood glucose; Streptozotocin; Diabetes; Hypoglycemic agents; *Opuntia* extract; Insulin; Glycated hemoglobin **55**, 27

Burseraceae; *Commiphora molmol*; Gastric anti-ulcer potential; Biochemical and histopathological changes in rats **55**, 141

Bursera simaruba; *Synedrella nodiflora*; *Spondias mombin*; Anti-inflammatory; Antiarthritic **55**, 63

Calcium modulation; Garlic dialysate; Isolated atria **55**, 113

Candidiasis; Santolina oil; Antifungal **55**, 151

Carbon tetrachloride; Traditional Chinese Medicine (TCM); Hepatoprotective effect; D-Galactosamine; sGOT; sGPT **55**, 213

Carrageenin; Extracts; Edema; Albino; Rat paw; Anti-inflammatory **55**, 77

Cedrela lilloi; *Trichilia elegans*; Mouse; Leaf extracts; Immune system; Immunomodulation **55**, 99

Cellular immunity; Immunomodulation; Humoral; NIM-76; Neem oil; In vivo **55**, 133

Chemiluminescence; Propolis; EEP (ethanol extract of propolis); Neutrophil; Free-radical scavenging; Flavone; Flavonol **55**, 19

Cholesterol; Coronary heart disease; Atherosclerosis; Herbal medicine **55**, 165

Cholesterol; Coronary heart disease; Atherosclerosis; Herbal medicine **55**, 49

Cistaceae; *Cistus laurifolius* L.; Antiulcer activity; Histopathology **55**, 201

***Cistus laurifolius* L.**; Cistaceae; Antiulcer activity; Histopathology **55**, 201

CNS depressant activity; *Pimenta dioica*; Hypotensive activity; Ethnopharmacology; Traditional medicine **55**, 107

Commiphora molmol; Burseraceae; Gastric anti-ulcer potential; Biochemical and histopathological changes in rats **55**, 141

Coronary heart disease; Cholesterol; Atherosclerosis; Herbal medicine **55**, 165

Coronary heart disease; Cholesterol; Atherosclerosis; Herbal medicine **55**, 49

Cyclooxygenase; *Aloe vera*; Indomethacin; Dexamethasone; Inflammation **55**, 69

Cytoprotective; *Teucrium buxifolium*; Lamiaceae; Antiarthritic; Anti-inflammatory; Antiulcer **55**, 93

Dang-Gui-Shao-Yao-San; Radiation; Spleen colony-forming unit (CFUs); Hematocytes; Hematocrit **55**, 43

Dexamethasone; *Aloe vera*; Indomethacin; Inflammation; Cyclooxygenase **55**, 69

D-Galactosamine; Traditional Chinese Medicine (TCM); Hepatoprotective effect; Carbon tetrachloride; sGOT; sGPT **55**, 213

Diabetes; Streptozotocin; Hypoglycemic agents; *Opuntia* extract; Insulin; Glycated hemoglobin; Blood glucose **55**, 27

Dopamine; Vouacapan; Antinociception; Writhing test **55**, 13

Drug interaction; D-400; Tolbutamide; Glibenclamide **55**, 55

Drug response; *Blastocystis hominis*; Traditional medicine **55**, 35

D-400; Tolbutamide; Glibenclamide; Drug interaction **55**, 55

Edema; Extracts; Carrageenin; Albino; Rat paw; Anti-inflammatory **55**, 77

EEP (ethanol extract of propolis); Propolis; Neutrophil; Chemiluminescence; Free-radical scavenging; Flavone; Flavonol **55**, 19

Epilobium angustifolium; Anti-androgen effect; Fatty acids **55**, 179

Ethanol; Antioxidants; Evans blue; Honey; Sulfhydryl; Vascular permeability **55**, 231

Ethnobotany; Folk medicine; Madagascar rain forest; Traditional medicine; Pharmacology **55**, 119

Ethnopharmacology; *Pimenta dioica*; Hypotensive activity; CNS depressant activity; Traditional medicine **55**, 107

Evans blue; Antioxidants; Ethanol; Honey; Sulfhydryl; Vascular permeability **55**, 231

Extracts; Carrageenin; Edema; Albino; Rat paw; Anti-inflammatory **55**, 77

Fatty acids; *Epilobium angustifolium*; Anti-androgen effect **55**, 179

Flavone; Propolis; EEP (ethanol extract of propolis); Neutrophil; Chemiluminescence; Free-radical scavenging; Flavonol **55**, 19

Flavonol; Propolis; EEP (ethanol extract of propolis); Neutrophil; Chemiluminescence; Free-radical scavenging; Flavone **55**, 19

Folk medicine; Ethnobotany; Madagascar rain forest; Traditional medicine; Pharmacology **55**, 119

Free-radical scavenging; Propolis; EEP (ethanol extract of propolis); Neutrophil; Chemiluminescence; Flavone; Flavonol **55**, 19

Furoeremophylanes; Anti-diabetic plants; Hypoglycemic plants; *Senecio* spp; Asteraceae; Benzoquinones **55**, 171

Gakani; Herbal medicine; Anti-asthmatic; Histamine; Isoprenaline; 5-Hydroxytryptamine; Tracheal chain **55**, 87

Garlic dialysate; Calcium modulation; Isolated atria **55**, 113

Gastric anti-ulcer potential; *Commiphora molmol*; Burseraceae; Biochemical and histopathological changes in rats **55**, 141

Glibenclamide; D-400; Tolbutamide; Drug interaction **55**, 55

Glycated hemoglobin; Streptozotocin; Diabetes; Hypoglycemic agents; *Opuntia* extract; Insulin; Blood glucose **55**, 27

Guarana; *Paullinia cupana*; Memory; Learning; Physical capacity **55**, 223

Gunnera perpensa; *Agapanthus africanus*; *Pentanisia prunelloides*; Uterotonic activity; Herbal remedies; Antenatal; Pregnancy; Labour **55**, 185

Hematocrit; Radiation; Dang-Gui-Shao-Yao-San; Spleen colony-forming unit (CFUs); Hematocytes **55**, 43

Hematocytes; Radiation; Dang-Gui-Shao-Yao-San; Spleen colony-forming unit (CFUs); Hematocrit **55**, 43

Hepatoprotective effect; Traditional Chinese Medicine (TCM); Carbon tetrachloride; D-Galactosamine; sGOT; sGPT **55**, 213

Herbal medicine; Cholesterol; Coronary heart disease; Atherosclerosis **55**, 165

Herbal medicine; Cholesterol; Coronary heart disease; Atherosclerosis **55**, 49

Herbal medicine; *Gakani*; Anti-asthmatic; Histamine; Isoprenaline; 5-Hydroxytryptamine; Tracheal chain **55**, 87

Herbal remedies; *Agapanthus africanus*; *Pentanisia prunelloides*; *Gunnera perpensa*; Uterotonic activity; Antenatal; Pregnancy; Labour **55**, 185

Histamine; *Gakani*; Herbal medicine; Anti-asthmatic; Isoprenaline; 5-Hydroxytryptamine; Tracheal chain **55**, 87

Histopathology; *Cistus laurifolius* L.; Cistaceae; Antiulcer activity **55**, 201

Honey; Antioxidants; Ethanol; Evans blue; Sulfhydryl; Vascular permeability **55**, 231

Humoral; Immunomodulation; Cellular immunity; NIM-76; Neem oil; In vivo **55**, 133

5-Hydroxytryptamine; *Gakani*; Herbal medicine; Anti-asthmatic; Histamine; Isoprenaline; Tracheal chain **55**, 87

Hypoglycemic agents; Streptozotocin; Diabetes; *Opuntia* extract; Insulin; Glycated hemoglobin; Blood glucose **55**, 27

Hypoglycemic plants; Anti-diabetic plants; *Senecio* spp; Asteraceae; Furoeremophylanes; Benzoquinones **55**, 171

Hypotensive activity; *Pimenta dioica*; CNS depressant activity; Ethnopharmacology; Traditional medicine **55**, 107

Immune system; *Cedrela lilloi*; *Trichilia elegans*; Mouse; Leaf extracts; Immunomodulation **55**, 99

Immunomodulation; *Cedrela lilloi*; *Trichilia elegans*; Mouse; Leaf extracts; Immune system **55**, 99

Immunomodulation; Humoral; Cellular immunity; NIM-76; Neem oil; In vivo **55**, 133

Indomethacin; *Aloe vera*; Dexamethasone; Inflammation; Cyclooxygenase **55**, 69

Inflammation; *Aloe vera*; Indomethacin; Dexamethasone; Cyclooxygenase **55**, 69

Insulin; Streptozotocin; Diabetes; Hypoglycemic agents; *Opuntia* extract; Glycated hemoglobin; Blood glucose **55**, 27

In vitro; Medicinal plants; Sleeping sickness; *Trypanosoma brucei rhodesiense*; Antitrypanosomal activity; Africa **55**, 1

In vivo; Immunomodulation; Humoral; Cellular immunity; NIM-76; Neem oil **55**, 133

Isolated atria; Garlic dialysate; Calcium modulation **55**, 113

Isoprenaline; *Gakani*; Herbal medicine; Anti-asthmatic; Histamine; 5-Hydroxytryptamine; Tracheal chain **55**, 87

Labour; *Agapanthus africanus*; *Pentanisia prunelloides*; *Gunnera perpensa*; Uterotonic activity; Herbal remedies; Antenatal; Pregnancy **55**, 185

Lamiaceae; *Teucrium buxifolium*; Antiarthritic; Anti-inflammatory; Antiulcer; Cytoprotective **55**, 93

Leaf extracts; *Cedrela lilloi*; *Trichilia elegans*; Mouse; Immune system; Immunomodulation **55**, 99

Learning; Guarana; *Paullinia cupana*; Memory; Physical capacity **55**, 223

Lipid-lowering; Alpha-asarone **55**, 161

Madagascar rain forest; Folk medicine; Ethnobotany; Traditional medicine; Pharmacology **55**, 119

Mast cell; Anti-allergic activity; Passive cutaneous anaphylaxis; Wu-Hu-Tang **55**, 127

Medicinal plants; Sleeping sickness; *Trypanosoma brucei rhodesiense*; Antitrypanosomal activity; In vitro; Africa **55**, 1

Medicinal plants; Traditional phytotherapy; Southern Spain **55**, 81

Memory; Guarana; *Paullinia cupana*; Learning; Physical capacity **55**, 223

Mouse; *Cedrela lilloi*; *Trichilia elegans*; Leaf extracts; Immune system; Immunomodulation **55**, 99

Neem oil; Immunomodulation; Humoral; Cellular immunity; NIM-76; In vivo **55**, 133

Neutrophil; Propolis; EEP (ethanol extract of propolis); Chemiluminescence; Free-radical scavenging; Flavone; Flavonol **55**, 19

NIM-76; Immunomodulation; Humoral; Cellular immunity; Neem oil; In vivo **55**, 133

***Opuntia* extract**; Streptozotocin; Diabetes; Hypoglycemic agents; Insulin; Glycated hemoglobin; Blood glucose **55**, 27

Passive cutaneous anaphylaxis; Anti-allergic activity; Mast cell; Wu-Hu-Tang **55**, 127

Paullinia cupana; Guarana; Memory; Learning; Physical capacity **55**, 223

Pentanisia prunelloides; *Agapanthus africanus*; *Gunnera perpensa*; Uterotonic activity; Herbal remedies; Antenatal; Pregnancy; Labour **55**, 185

Perú; Traditional medicinal plants; Wound-healing **55**, 193

Pharmacology; Folk medicine; Ethnobotany; Madagascar rain forest; Traditional medicine **55**, 119

Physical capacity; Guarana; *Paullinia cupana*; Memory; Learning **55**, 223

Pimenta dioica; Hypotensive activity; CNS depressant activity; Ethnopharmacology; Traditional medicine **55**, 107

Pregnancy; *Agapanthus africanus*; *Pentanisia prunelloides*; *Gunnera perpensa*; Uterotonic activity; Herbal remedies; Antenatal; Labour **55**, 185

Propolis; EEP (ethanol extract of propolis); Neutrophil; Chemiluminescence; Free-radical scavenging; Flavone; Flavonol **55**, 19

Radiation; Dang-Gui-Shao-Yao-San; Spleen colony-forming unit (CFUs); Hematocytes; Hematocrit **55**, 43

Rat paw; Extracts; Carrageenin; Edema; Albino; Anti-inflammatory **55**, 77

Santolina oil; Antifungal; Candidiasis **55**, 151

***Senecio* spp**; Anti-diabetic plants; Hypoglycemic plants; Asteraceae; Furoeremophylanes; Benzoquinones **55**, 171

sGOT; Traditional Chinese Medicine (TCM); Hepatoprotective effect; Carbon tetrachloride; D-Galactosamine; sGPT **55**, 213

sGPT; Traditional Chinese Medicine (TCM); Hepatoprotective effect; Carbon tetrachloride; D-Galactosamine; sGOT **55**, 213

Sleeping sickness; Medicinal plants; *Trypanosoma brucei rhodesiense*; Antitrypanosomal activity; In vitro; Africa **55**, 1

Southern Spain; Traditional phytotherapy; Medicinal plants **55**, 81

Spleen colony-forming unit (CFUs); Radiation; Dang-Gui-Shao-Yao-San; Hematocytes; Hematocrit **55**, 43

Spondias mombin; *Synedrella nodiflora*; *Bursera simaruba*; Anti-inflammatory; Antiarthritic **55**, 63

Streptozotocin; Diabetes; Hypoglycemic agents; *Opuntia* extract; Insulin; Glycated hemoglobin; Blood glucose **55**, 27

Sulfhydryl; Antioxidants; Ethanol; Evans blue; Honey; Vascular permeability **55**, 231

Synedrella nodiflora; *Bursera simaruba*; *Spondias mombin*; Anti-inflammatory; Antiarthritic **55**, 63

Teucrium buxifolium; Lamiaceae; Antiarthritic; Anti-inflammatory; Antiulcer; Cytoprotective **55**, 93

Tolbutamide; D-400; Glibenclamide; Drug interaction **55**, 55

Tracheal chain; *Gakani*; Herbal medicine; Anti-asthmatic; Histamine; Isoprenaline; 5-Hydroxytryptamine **55**, 87

Traditional Chinese Medicine (TCM); Hepatoprotective effect; Carbon tetrachloride; D-Galactosamine; sGOT; sGPT **55**, 213

Traditional medicinal plants; Wound-healing; Perú **55**, 193
